ENERGY AND WATER AGENCY

'Inizjattiva IlmaGhalik'

TO promote water conservation, reduction in waste and support healthy drinking habits, the Energy and Water Agency ('EWA', 'Agency') is launching the initiative 'IlmaGhalik'. The purpose of this initiative is to install potable water dispensers in Football Nursery Grounds.

This initiative is open to football club nurseries that can have a water dispenser installed within the premises used for their activities and that can be accessed by those attending activities in these premises. The Agency will be covering all the expenses related to the installation and five year maintenance of the water dispenser. The Water Services Corporation ('WSC') will be carrying out the installation and subsequent maintenance of this equipment in these premises.

The organisations need to prepare the connections (mains water supply, electrical supply and drainage connection)
